VISION MISSION

VISION OF INSTITUTE

To nurture young minds by imparting quality technical education to meet ever changing industrial challenges & society needs.

MISSION OF THE INSTITUTE

- Developing technically & ethically competent manpower to accept new challenges through conductive teaching environment.
- 2. Strengthen industry institute interaction.
- 3. Upgradation of institutional resources to cope up with latest technical developments.
- 4. Enhancing the employability skills of rural youth.

MESSAGE FROM THE PRINCIPAL

April 01, 2024

Dear readers,

I am glad to write the editorial of the third volume of the magazine. As a student we all learn something new in every single moment of our life but I would like you to encourage you to make it your life style. "Learning Capability" defines your future and skills. you may be weak in certain areas or maybe strong in few things but the habit that leads you above all is the ability of Learning. Best wishes for the future.

Sincerely, K. B. Mehta Principal Government Polytechnic Dahod

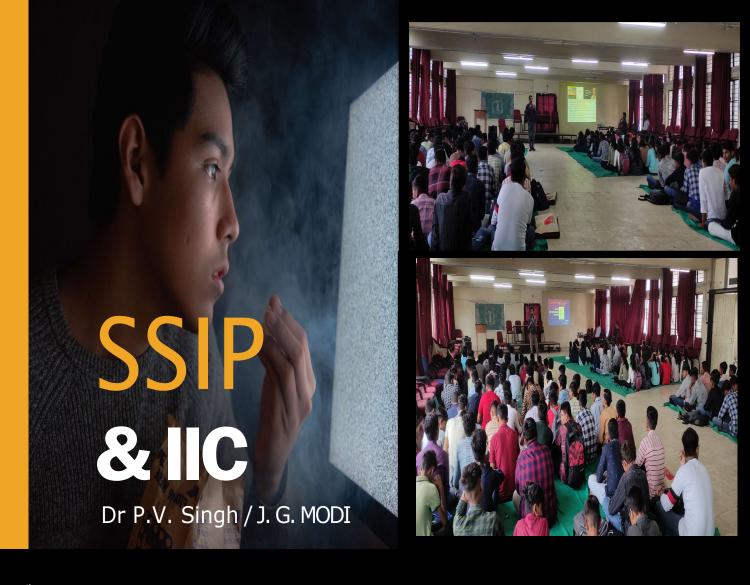

EDITOR

April 01, 2024

Dear readers,

Someone quoted that "you don't take photographs, you make it". Nobody has enough word to describe a picture because sometimes it is connected with our emotion, sometimes its is with our achievements and for most of the people it is certainly connected with the memories. In this edition we will memorize the glorious moments of our college life. A wonderful experience of victory, team work of each student converts a child to a responsible human being. Let's become a responsible citizen of the country, Lets start asking the questions, Lets develop our city, our state and hence our nation. Who knows a picture that you took can made your destiny.

Sincerely,
D.J. Kandpal
Editor-In-Chief
Samvaad Magazine

On 25th April, 2024 the SSIP Cell of Government Polytechnic Dahod organized **Project Fair-2024** and sensitization program of SSIP 2.0. Total of 16 projects were presented by 58 students of final year. 180 visitor students witnessed the presentation/demonstration of the projects. 22 faculties were present to supervise, guide and provide valuable inputs to improve the quality of the projects.

PROJECT FAIR- 2024

DR P.V. SINGH / D J KANDPAL

Apart from project presentation, students were informed about the SSIP 2.0. Respected Principal, Smt. K. B. Mehta informed students about the guidelines of SSIP 2.0. SSIP Co-Coordinator, Dr. P. V. Singh focused on the financial guidelines of the SSIP 2.0. Mr. P. S Pargi (Lecturer in Computer Engineering), Mr. M. N. Patel (Lecturer in EC Engineering), Mr. D. R. Dhimmar (Lecturer in Electrical Engineering), Mr. D. J. Kandpal (Lecturer in Civil Engineering), Mr. J. G. Modi (Lecturer in Mechanical Engineering) informed about the expectation of industries.

The program was organized under leadership of respected Principal, Smt. K. B. Mehta. The support and suggestions of the heads of departments are also commendable, that played an important role in the successful organization of the program. SSIP committee of the institute organized the program.

"Great minds discuss ideas"

UNKNOWN

Civil Engineering Department

1. Water Treatment Plant Dahod

D J KANDPAL/ V K BHABHOR

The visit of the 6th semester Students of civil engineering department was organized on 02/03/2024 at Drinking Water Treatment plant Dahod, have set up a Water Treatment plant a near Chhapri village, Dahod taluka.

2. Contouring Project

Y A CHALLAWALA/ F K LANEWALA

Students of 4th semester Students of civil engineering practicing the contour survey near the Railway Hospital Ground Dahod department students on 02/03/2024.

3. Sewage Treatment Plant

D J KANDPAL

A glimpse of the 6th semester Students of civil engineering department students on 05/03/2024 at Sewage Treatment plant Ralyati Road Dahod under GWSSB Jal Bhavan.

Mechanical Engineering Department

1.Locomotive Rolling Stock workshop, Dahod

J K PATEL

The students of semester 4th visited to the "Locomotive Rolling Stock workshop, Dahod" on 16th of April 2024 where they observed the various operating procedures of railway locomotive.

2. Expert Lecture on "DESIGN"

Vishal Sharma

Vishal Sharma a senior Vehicle Designer at Bangalore explained the importance of Design to the students of Mechanical Engineering while making a machine.

Computer Engineering Department

1. Road Safety seminar, GECD

Students from computer department took part in a seminar conducted on the Road Safety based on the Integrated Road Accident Data base of IIT Madras on 12/02/2024 at GEC Dahod

2. Dart Programing, GECD

Students of computer engineering department took part in a workshop where they explored the fundamentals of the Dart programming language, covering basic syntax like variables, data types (including numbers, strings, and Booleans), and how to control program flow. They also learned how to install the Dart SDK, setting up your development environment to build beautiful and functional Flutter apps at the three days' workshop organized on 14 February 2024 to 16 February 2024 at GEC Dahod

Electrical Engineering Department

AWARENESS PROGRAM

Amitkumar Maheshbhai Jariwala

An Awareness program is being organized by the electrical department on 20th of march 2024 with kind cooperation of Mr. Amit Kumar (Co-Ordinator Jay Bharti Foundation CSC-Surat)

Expert Lecture on "Flip-Flop

Nitam C Desai

On 07th of March 2024 prof N C Desai from K D Polytechnic Patan gave an interesting lecture on Digital Electronics where students learned the working of Flip-Flop

Workshop

A M MAHESHWARI

On 15th of February 2024 a workshop is being conducted on "Energy Conservation Awareness" Energy crisis increase day by day and it is global issue. There are so many opportunities for energy conservation in various sector. This session made students aware for Energy conservation.

Women's Development cell

K B MEHTA/ F K LANEWALA

Women's Day Celebration 2024 Theme: A woman who Inspires

The United Nations has designated the year 2024's theme as 'Invest in Women: Accelerate Progress' with a focus on addressing economic disempowerment, while the campaign theme for this year is 'Inspire Inclusion.' Our institute also runs with the wings of such enthusiastic, dedicated and deserving women employees. G.P Dahod celebrated the event in the presence of our chief Guest Mrs. JABEENABEN JAMBUGHODAWALA (founder & Director of sahaj india) with the theme of "A Women Who Inspires".

Prof. NITAM C DESAI

A technical session was taken on "Flip Flop" by prof Nitam Desai, Lecturer, K D Polytechnic Patan on dated 7 march 2024 at Electrical Engineering Department.

Prof. M K CHUDASMA

Prof Chudasma from GEC Dahod demonstrate the 3D printer to the mechanical engineering students of GPD. 3D printing is becoming popular in the customizable gifts industry, with products such as personalized models of art and dolls and in many shapes.

Prominent Speaker

GEDA

Gujarat Energy Development Agency Conducted an expert session on 20th of march 2024 on the topic of energy conservation to encourage the students for saving the electricity

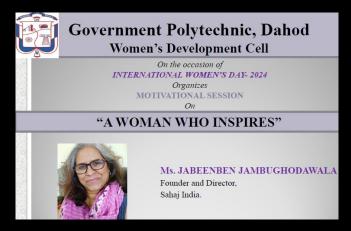

Discussed with the Women employees as well as all girl students for becoming a woman with a wing, a woman who can inspire many others

AKAAR ARCHITECT

Mr. Arun kumar from Aakar architect gave an interesting lecture on the building design and building planning to the final year civil engineering students of GPD.

"Winning isn't everything, but wanting to win is."

Student's Achievments

GPD Student's Contribution to Society

Mehlam Katwarawala, a student of Sem-2, Civil Engineering Department did his best to spread awareness regarding living an addiction-free life as part of Awareness Program jointly organized by Social Welfare and Empowerment Department, Dahod, (2) Happy Home Rehabilitation Center, Dahod and (3) Traffic Police, Dahod on World Tobacco Day on 31st May, 2024.

One more talent from computer Engineering Branch Mr. Pushkar Damor from 2nd Semester Computer engineering department has won the silver medal in the Wado Cup 2024 at Godhra organized by the Karate Foundation India. Entire team of GP Dahod wishes him a best of luck for the future

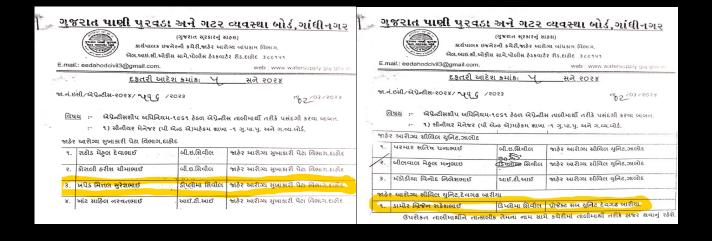

Student's Achievments

STUDENT PARTICIPATION

Students of Mechanica; lengineering 6th sem took part in the Hackathon Event at BBIT on April 2024 and won an Award in "GOOD DESIGNING/USER INTERFACE CATEGORY" The names of the participants are Patel Harsh Himanshubhai, Bhatt Om Ashokbhai, Hirani Manan Vijaybhai Naiyakwad Himanshu Prashantbhai

Two students of Civil Engineering Branch Miss KHAPED MITTAL SURESHBHAI & DAMOR BRIJEN RAKESHBHAI Has been selected for one-year Apprenticeship at GWSSB Dahod Gujarat. GP Dahod wishes them for their bright future.

Student's Achievments

SPORTS ACHIEVMENTS

Harshvardhan Mahavar, a student of Sem-2, Electrical Engineering, G. P. Dahod is selected as the goalkeeper of Gujarat state hockey team and will play at the national level Junior Hockey Tournament at Chennai, Tamilnadu in May, 2024. Congratulations and best wishes to Harshvardhan.

VOTER AWARENESS PROGRAM

Sheetal Luhana, a student of Sem-4, Computer Engineering Department - Government Polytechnic, Dahod received an opportunity to act in a skit-play performed in front of the Collector and Election Officer, Dahod district as well as Prant Officer, Dahod at 'Musical Voter-Awareness Program' organised by District Administration on 26th April, 2024.

Congratulations to Sheetal

Fact's About GPD

- GP Dahod is one of the oldest Diploma engineering colleges of Gujarat since 1959
- One batch of GEC Dahod has been passed out from the GPD campus when the engineering college was about to start running as an independent organization
- Initially the Institute was running diploma courses only in Civil Engineering,
 Mechanical Engineering, and Electrical Engineering, with an intake
 capacity of 120 students each.
- The Institute main building is constructed in 1963.
- GP Dahod got its first NBA in year 2023 for Mechanical, Electrical & Computer Branch.
- T.M. Parikh was the first principal of GP Dahod.
- K B Mehta is the first female Principal of GP Dahod.
